## 25 Years Celebrating Love

### Pastor Terry A. Webster and First Lady Beverly Celebrate their 25th Wedding Anniversary

June 18, 2008 marked twenty five years of marriage for Pastor Terry A. Sr. and First Lady Beverly Webster! On Friday June 20th a host of family, friends, and loved ones gathered to help them celebrate this wonderful milestone. An elegant

banquet took place at the Crown Room, located in Brownsburg. The evening's order of service was lead by MC's Ronald and Candace Pate. The attendees were entertained by live music, a picture slideshow presentation, and words of reflection and encouragement by the Best man, (continued)

Pastor Daryl Webster, and Maid of Honor, Sis. Mona Smiley. The closing item on the program referenced Ecclesiastes 3:4, which says there is "a time to weep and a time to laugh, a time to mourn and a time to dance." We understand the significance of celebrating twenty five years of commitment and faithfulness to one another in marriage. However an even greater importance is that of a man and woman of God who have joined together, as a team, to serve God and His people for such a length of time. And as we stood on God's word we closed out the celebration with a dance, the Cupid Shuffle.

## The Creation Museum

### An Inspiring Trip for the Season Saints

On June 14th, the Season Saints took a trip to the Creation Museum located in Ohio. The four-hour trip turned out to be an awesome experience. The group of approximately 25 members departed the church early Saturday morning and spent the day exploring and discovering how the earth and everything on it came to be.

Party Shuffle

The Season Saints enjoyed a wonderful movie about how God created the heavens and the earth. There were other films that depicted the progression of the earth and all of its inhabitants. The museum displayed replicas of Noah's arc, pre-historic animals and other biblical artifacts.

After taking in all the sites, the members were able to relax and grab a bite to eat at the museum café. The building itself was beautiful and created an inviting atmosphere that the Season Saints appreciated. "Overall the trip was fabulous and I plan to revisit again in August," says Delores Gregory. If you would like to explore the world and you are a Seasoned Saint, please contact Sis Geraldine Herron or Sis Delores Gregory for more information.

## A Weekend With God

Prayer Retreat located in Martinsville, Indiana  
April 25-26, 2008

Consumed with Prayer was the title of this year's prayer retreat. Our focus was centered on getting to the next level of evangelism leadership. In our time together we studied how each believer must make sure his or her heart is right with the Lord. We can all do this by confessing our sin, dealing with any relationship that needs to be made right and making any restitution. We should pray daily as individuals and corporately by focusing our prayers on leaders, laborers, the lost, and lax. If you would like to review more information on what we learned please visit [www.consumedwithhope.org](http://www.consumedwithhope.org).

"Our first Prayer Retreat was held on Friday and Saturday April 25th and 26th 2008. It was a powerful, inspiring, spirit-filled and uplifting weekend. I had just recently joined Nu Corinthian and I had the opportunity to meet and get acquainted with a lot of the members. The prayers, songs,

My Trip to Cedar Point  
Going to Cedar Point with my loving church family was great! Even though I'm not a roller coaster person, I had a chance to get to know everyone. This was a great opportunity to fellowship with church members and I look forward to doing it again soon!

## Gems and Diamonds 2008 Celebration Ceremony

First Lady Beverly Webster and Kyree Shockley

On June 8th, The Gems and Diamonds held their annual ceremony. We celebrated the progression of the girls from one grade to the other as well as their many achievements in school, home, church, and their communities. This year there was only one graduating senior, Kyree Shockley. Kyree graduated from Pike High School and will be attending Ball State University in the fall.

The Gems and Diamonds will resume their meetings in September. However, beginning this fall the meetings will be held on Wednesday nights in conjunction with our bible study. If you are a girl between the ages of 3 - 18 years old, please come out and be a part of this wonderful ministry. You do not have to be a member of the church to attend. For more information, please see Sis Sheryl Watts or Sis Myra Shelton.

## Nu Heights Summer Review Discovery Zone

The Nu Heights Campers accessed the Computer Lab weekly as part of the program. The goal was to expose the campers to technology and provide opportunities to become proficient with the computer. The campers also visited kid friendly sites. The older children surfed the internet and created newsletters about the camp. (continued)

June 2008 Church Yard Sale

## Media Ministry Update

In the month of June, the Media Ministry hosted their first church yard sale located in the new Family Life Center. The yard sale was to be held on the church parking lot but due to bad weather it was kept in doors. The day started at 8am and people filled the gym until the final call. Each person who visited that rainy day received a Roman's Road bible track and a warm welcome to come back and visit with us again. We earned over \$400 to benefit ministry.

7 - 9 year old campers

"Working at the summer camp this year was quite an experience. This was my first job and I'm glad I was hired. Not only was I teaching the kids, but the kids were teaching me! I was with the 9-10 years old, better known as ATO. Alpha to Omega (ATO) because God is the Alpha & Omega. Our group had a lot of discussions. It gave the kids a chance to express themselves and their feelings. I truly enjoyed working at Nu Heights Summer Camp."

- Cassidy Howard

"On June 2, 2008 Nu Heights Summer Camp was launched for the second time. Discovery Zone was this year's theme. There were lots of different zones like the Fun Zone, Discovery Zone, Knowledge Zone, Cultural Zone, Green Zone, Fitness Zone, and Splash Zone. We went swimming every Friday and had a field trip almost everyday. Also we had devotion, prayer, and sang two songs every morning. Everyone recited the Pledge of Allegiance, the Bible Pledge, and the Nu Corinthian Church Pledge every morning. Nu Heights is a great summer camp. I really enjoyed the summer camp. I hope to go back next year."

## Choir Ministry Update

### July Pillow Sale Fundraiser

In July the choir sponsored a pillow sale as a fundraiser to help raise money for their new robes. The custom-designer pillows were of high quality and were absolutely beautiful. They were available in a variety of colors, patterns, shapes, and sizes to match or accent virtually any decor.

If purchased at a retail, furniture, or department store the pillows would have normally sold for \$30 and up. However, the choir was able to offer a discount and sold the pillows for only \$10 each. As a result, the choir raised \$575 towards the cost of the new robes! The choir would like to thank everyone who purchased pillows in support of the fundraiser.

## NuCBC Basketball

### Summer League

This past winter, Nu Corinthian hosted its first youth basketball league in the Family Life Center. The purpose of the league was to introduce the boys and young men to Christ. The league was made up of members from both Nu Corinthian and Emmanuel Baptist Church and inner city youth. The league consisted of three age groups, ages 3 to 7, ages 8 to 13, and ages 14 to 18. The participants were divided into four teams. Minnesota Gophers, Xavier Musketeers, North Carolina Tar Heels. (continued)

### Nu CBC Foot Soldiers

On July 25th the foot soldiers began loading camping and fishing gear into their cars. Our mission was to take a journey to Anderson, Indiana to campground Timberland. We arrived that Friday morning at about 11:30am to unload our equipment and set up our tents.

Everyone was excited to learn how to fish. With help from the adults, several young campers learned how to prepare fishing poles and cast them into to water for a catch. Many of the soldiers caught small fish and turtles the first day until (continued)

(Summer League Continue)

Emmanuel Baptist church entered their Indiana Hoosiers team into the 14-18 age group. The 8-13 age group champions were the North Carolina Tar Heels, coached by Rev. Randall Pierce. The 13-18 age group champions were the Xavier Musketeers, coached by Deacon Darrell Tibbs. Every participating child received a reward. Every game was used as an opportunity to evangelize. During half-time a brief explanation of the gospel was explained. As a result, several young men received Christ into their lives. - Darrell Tibbs Jr. and Vernae Hogue

dark. Later that evening we gathered around the camp fire for roasted marshmallows and hot dogs. We ended the night listening to nature speak as we dozed off to sleep.

Early the next morning we arose for morning devotion. Bro. Pate taught the young soldiers about honesty and making right decisions. All of the adult soldiers shared testimonies about how making bad decisions caused negativity in their lives. They also shared how God changed their lives for the better. Many of the young soldiers shared their personal testimonies and two of them gave their lives to the Lord and became candidates for baptism. Our fellowship time was great. God showed us that when we invest in Him and others He will bless back.

## A call to action!

As many of you know it takes a lot to make ministry work. Each week several things must be done to keep the church functioning properly. At Nu Corinthian we have several ministries that work together to provide a clean church, a hospitable environment, training and technology, media, child care, parking and more. Where do you fit into this picture? Are you willing to stop being a bench warmer and get involved?

**Join a ministry right away!** To find out how you can join one of Nu Corinthian's ministries please contact new membership coordinators Sis. Edith Floyd and Rev. Carvis Herron.
