DISCIPLINE/GUIDANCE POLICY

It is very important a child's development is nurtured through caring, patience and understanding. However, while caring for your children, we may have to respond to your child's misbehavior. Hitting, kicking, spitting, hostile verbal behavior and other behaviors which will hurt another child are not permitted.

In response to these behaviors, we will not use:

- Threats or bribes
- Physical punishment, even if requested by the parent
- Deprive your child of food or other basic needs
- Humiliation or isolation

In response to misbehavior, we will:

- Respect your child
- Establish clear rules
- Be consistent in enforcing rules
- Use positive language to explain desired behavior
- Speak calmly while bending down to your child's eye level
- Give clear choices
- Redirect your child to a new activity
- Move your child to a time-out chair for no longer than one minute per year of your child's age, if necessary.

If your child's behavior is very disruptive or harmful to himself or other children, we will discuss the issue with you privately. If the situation can be resolved, the child may remain enrolled. If we are unable to resolve the issue, you may be asked to make other child care arrangements.

As a parent, you may have some concerns or wish to offer suggestions. Using the lines below, we may modify the above plan with agreed upon suggestions.

Sick Child Policy

Nu Heights Academy is a well child care facility. This means that if your child is not feeling well, for any reason, you will need to find alternate care. Please do not bring your child if he/she contagious illness or exhibits any of the following symptoms:

- fever of 101 degrees or above
- vomiting,
- diarrhea
- conjunctivitis (“pink eye”)
- consistent complaints of ear or stomach pain
- bleeding other than minor cuts and scrapes
- excessive greenish nasal discharge, indicating possible infection
- head lice
- ring worm

In general, if your child is too sick to go outside and play, then your child is too sick to attend childcare. If your child becomes ill during daycare, you will be phoned at work and asked to pick your child up immediately.

If your child has a common cold (slight cough, sneezing, clear runny nose and/or temperature below 101 degrees) your child may attend daycare. However, if your child reaches a point when he/she requires constant attention, will not play, cries continuously, whines and wants to be held constantly then your child will need to stay at home.

Any child requiring prescription medication will need to be kept at home for a period of at least 24 hours until no longer contagious, unless accompanied by a signed note from the child’s medical practitioner.

Please dispense all medications at home whenever possible. For times when it is not possible, a Medical Authorization Form must be filled out before we can dispense any medications. All prescription and over-the-counter medications must be in their original container(s), and prescriptions must display the pharmacist’s label with the doctor’s name. If you have any questions, please feel free to discuss them with the Director.

Signatures below indicate acknowledgement of receipt of this form and agreement to adhere to these policies.
